VOLUNTEERS NEEDED

On January 22, 2009 the County of San Bernardino will be conducting a count and survey of Sheltered and Unsheltered Homeless Persons to identify how many people are homeless at a given point in time.

Volunteers are needed from every community in San Bernardino.

I would like to ask for your help in recruiting volunteers. Your volunteers will be making a difference in improving the lives of the homeless population in San Bernardino County.

Planning and organizing activities will take place throughout the next three months. We will be planning training for all volunteers in January prior to the January 22, 2008.

I will be contacting you by phone to schedule a meeting or answer any questions regarding the recruitment of volunteers.
